Autumn Term Issue 2

12th September 2025

This week marked a very special milestone as our Reception children enjoyed their very first full day in school. They have settled in brilliantly, making new friends and beginning their learning journey with lots of enthusiasm. We are so proud of how well they have adapted to school life.

We are delighted to share that our Rock Steady music lessons have now commenced. The children have loved getting hands-on with instruments and are experiencing the joy of making music together. We can't wait to hear their progress over the coming weeks.

Excitement is building as our Year 6 pupils prepare for their residential trip to Hilltop next week. This is always a highlight of the year, giving the children opportunities to develop independence, teamwork, and resilience. We wish all our pupils and staff a fantastic adventure!

I hope you all have a restful weekend. See you on Monday!

Questions of the week

We are aware that sometimes it is tricky for children to talk to parents about their learning from the week or that sometimes you get the answer "nothing" when asking children what they've learned at school.

Therefore, we are going to provide a prompt question for each year group every week, that you can ask your child and get them talking about their amazing learning.

Storey Class: What was your favourite activity this week.

Daley Class: What is your teacher's name and your new class name?

Kenny Class: What is a human feature?

MacArthur Class: What is matter?

Hamilton Class: How do you orientate a map?

A Polite Reminder About Mobile Phones

At Thomas Eaton Primary Academy, we value clear and respectful communication between parents, carers, and staff. To help us give you and your child our full attention, we kindly ask that mobile phones are not used when speaking to staff members at the gate, in the office, or around the school grounds.

If you receive or need to make a call, please finish it before approaching staff. This ensures conversations remain focused on your child's needs and helps us maintain a welcoming, respectful environment for everyone.

Thank you for your cooperation and support in setting a positive example for our children.

Summer Reading Challenge

Many of our pupils participate in the Summer Reading Challenge led by our local libraries. If your child took part in this summer's challenge, we would love to share their success in our Celebration Assembly. The children are very welcome to bring onto school their certificate and medal to share on Friday 26th September.

Ceremonies at March library take place on Saturday 13th September.

Ceremonies take place at Chatteris library on Saturday 20th September.

If you have not yet completed the challenge, there is still time to do so. The deadline is Friday 19th September.

We look forward to sharing the success of all our pupils!
