Autumn Term Issue 3

19th September 2025

It has been a busy and exciting week at school, with lots of memorable experiences for our children both in school and off site.

Our Year Six pupils have been away on their much anticipated residential trip to Hilltop this week. From outdoor activities to team challenges, they have been developing independence, resilience, and teamwork skills. The children were an absolute credit to the school, and they have been happily sharing all about their adventures since their return. Thank you to Mrs Johnson and Mrs Baker for accompanying the children. I am sure both pupils and staff will sleep well this weekend!

We were delighted to welcome representatives from Peterborough United Football Club into school this week. They delivered an engaging assembly that inspired our pupils with messages about teamwork and determination. The children not only loved having the opportunity to hear directly from the club and take part in interactive activities but they thoroughly enjoyed high fiving Peter Burrow too! Have a lovely weekend, whatever your plans. Here's hoping the weather is kind to us. There is defiantly an autumnal feel in the air!

Questions of the week

We are aware that sometimes it is tricky for children to talk to parents about their learning from the week or that sometimes you get the answer "nothing" when asking children what they've learned at school.

Therefore, we are going to provide a prompt question for each year group every week, that you can ask your child and get them talking about their amazing learning.

Storey Class: Can you name your friends?

Daley Class: What are the 4 seasons?

Kenny Class: What do animals need in their shelters?

MacArthur Class: What does a sentence need (as well as a capital letter and a full stop)?

Hamilton Class: What electric components did we use to create our circuit?

Parking near the school site and considerate road use

Members of our school community have made us aware of some inconsiderate, and often illegal, parking by parents accessing the school in the mornings and afternoons, including parking in the zig-zag lines outside school.

As with the majority of primary schools in the country, we do not have a 'parent' car park. If you do need to drive to drop off or collect your child please park considerately and ensure you are not obstructing drives, garages or access to roads. Please be respectful of our neighbours and remember that parking on zig-zag lines at any time of the day is prohibited.

Our children's safety is our main priority and this includes their journey to and from school.

We appreciate your support in this matter.
Thank you.

A polite reminder

As the weather is now rather autumnal, please could you ensure that your child/ren come to school wearing a coat. It maybe blue skies and sunshine first thing in the morning but by breaktime the rain may be falling.

If possible, please could your child/ren also bring a pair of wellies into school too that we can access outdoor play as much as possible. Please ensure all clothing/footwear is named.

Thank you.

Harevst Collection

Once again, this year we will be collecting donations for March Food Bank. If you can donate, we would be very grateful for any contributions of dry foods in tins or packets. No perishable items please. Please bring any donations into school between Monday 29th September to Friday 3rd October.

Thank you for your support.

A visit from POSH and Peter Burrow
