Autumn Term Issue 11

21st November 2025

Happy Friday everyone! This week has seen busy classrooms throughout the school as the majority of our pupils have undertaken assessments. I have been incredibly proud of all our pupils who have shown a great attitude and maturity whilst completing their papers. I appreciate that to many pupils, assessment week is not favourable but the resilience and determination to succeed has been admirable. Well done all!

Preparations are now underway for our forthcoming Christingle service in which years 2 and 3 will be participating along with members of the VIAM choir. Our EYFS Nativity production titled 'A Miracle In Town' is also in full swing of rehearsals. It is lovely to hear the children singing and we are looking forward to sharing these events with you all.

If you are attending the Christmas light switch on in the village tomorrow, be sure to wrap up warm! Wishing you all a lovely weekend.

Mrs N Webb  
Deputy Headteacher

## PTFA Film Night

Get ready for a cosy evening of fun!

The PTFA is hosting a Film Night on Thursday, 11th December, and all pupils are invited to join in. There'll be a great family-friendly movie, snacks to enjoy, and a relaxed atmosphere to kick off the festive season. It's a lovely chance for the children to unwind with friends while supporting our school community.

More details on tickets and timings will be shared soon—save the date!

## Children in Need

Thank you to all our amazing parents and carers for supporting Children in Need! A big shout-out to everyone who baked yummy cakes for our cake stall—they were delicious! Thank you as well to all the pupils who bought cakes and helped make the day so much fun. And we loved seeing everyone looking super cosy and colourful in their pyjamas! Your kindness and teamwork have made a big difference. Thank you for your support and generosity. We raised an amazing £200.25!

Autumn Term Issue 11

21st November 2025

## A polite reminder: Outdoor play in all weather

As the weather turns colder, we kindly remind families to ensure children come to school with appropriate warm clothing. Please send your child/ren with a warm coat/jacket, jumper, cardigan or fleece, and if possible, a hat, scarf and gloves. Staying warm helps everyone stay comfortable, healthy, and ready to learn throughout the day.

To further ensure your child is comfortable and able to enjoy their time outside, please ensure that they come to school with appropriate clothing in a named bag. This includes:

- ▣ **A waterproof coat with a hood.**
- ▣ **Sturdy footwear, such as wellies or waterproof shoes.**
- ▣ **A change of socks.**
- ▣ **You may wish to consider, waterproof trousers / all in one suit.**

It's important that children bring to school clothing and footwear that you don't mind getting wet or dirty, so they can play freely and comfortably.

Thank you for helping us keep snug this season!

## Questions of the week

We are aware that sometimes it is tricky for children to talk to parents about their learning from the week or that sometimes you get the answer "nothing" when asking children what they've learned at school.

Therefore, we are going to provide a prompt question for each year group every week, that you can ask your child and get them talking about their amazing learning.

**Storey Class:** Can you sing one of our Nativity songs to an adult?

**Daley Class:** What is your line to learn for the Nativity?

**Kenny Class:** What are secondary colours?

**MacArthur Class:** What is a homophone? Can you give an example.

**Hamilton Class:** Do we share any DNA with a banana?
