Autumn Term Issue 12

6th December 2024

It has been yet another busy and exciting week at Thomas Eaton. Koala, Meerkat and Panda classes have enjoyed performing 'Twinkly Nativity' to our parents and carers. They did an amazing job during both performances and we enjoyed watching their little faces light up as they performed to their families. We thank you for your support.

On Thursday, pupils in Years 3 and 4 enjoyed their visit to Cromwell Community College, to participate in The Big Sing. All the children and staff thoroughly enjoyed the event and we have had many comments about their exemplary behaviour! Well done to them all!

We will be carrying on with festivities next week as we are looking forward to performing our Christingle service in St Peters Church and devouring Christmas dinner in our Christmas jumpers!

It is now full steam ahead to the end of the Autumn term. Whatever your plans for the weekend, I hope it is a fun filled festive one!

I will see you all on the playground on Monday morning.

Deputy Headteacher

Questions of the week

We are aware that sometimes it is tricky for children to talk to parents about their learning from the week or that sometimes you get the answer "nothing" when asking children what they've learned at school.

Therefore, we are going to provide a prompt question for each year group every week, that you can ask your child and get them talking about their amazing learning.

Koala Class: What was your favourite song in the nativity?

Meerkat Class: Can you show me a repeating pattern?

Panda Class: What was your favourite part of the Nativity?

Tiger Class: What does MRS GREN stand for?

Fox Class: How did we separate raisins, sugar and flour in our kitchen disaster experiment?

Lion Class: Why do we have seasons?

Above and Beyond

Koala Class: Ivy-Rose

Meerkat Class: Jack

Panda Class: ALL of Panda Class

Tiger Class: Heidi

Fox Class: Sammy

Lion Class: Eleni

Autumn Term Issue 12

6th December 2024

Change of time.

We have so many things to celebrate with you all that we have decided to begin our final Celebration Assembly of this term at a slightly earlier time.

Therefore, please note that the celebrations will now begin at **2:15pm**, not 2:30pm as previously advertised.

Thank you.

As previously communicated, I am currently looking at the provision we offer our pupils at break and lunchtime, working on an exciting plan that will be ready to launch early in 2025! The project is in the early stages but I am asking for your help.

This is often the time of year that toys/belongings at home begin to get tidied or cleared, ready for the arrival of the man in the red suit. If you are in the process of having a sort out either now, or over the Christmas period please can I ask you to consider donating to school, any unused/unwanted toys, ride-ons, scooters, small world toys (e.g HappyLand), pots and pans, jugs, wooden spoons, bedding sheets/materials or buckets and spades. I will happily take them off your hands! Thank you for those that have already donated. Keep them coming!
