Autumn Term Issue 14

20th December 2024

Today marks the end of the Autumn Term. We have made it to the finish line! The Christmas holidays have finally arrived and I think it would be fair to say, we are all ready for a rest!

It may have been the last week of term, but it has been no less busy. We even managed to squeeze in a school trip with our Year 5 and 6 pupils visiting London on Wednesday.

Once in London, the pupils visited The National Portrait Gallery before walking the short distance to The London Coliseum to watch The Nutcracker performed by the English National Ballet. Staff were very proud of the children's impeccable behaviour which was commented upon by several members of the public. Well done! You are all a credit to your families and the school. We are all very proud of you.

Today, all our pupils have enjoyed a Christmas party and a visit from Father Christmas who took some time out of his busy schedule to kindly distribute individual presents to our pupils. It was lovely to see the smiles on their faces!

I would like to take this opportunity to thank you for your continued support this term and I wish you all our families and Thomas Eaton community a very Merry Christmas and a really Happy New Year. I look forward to seeing you all well rested and refreshed on the gate on Tuesday 7th January.

Mrs N Webb  
Deputy Headteacher

## Time to celebrate....

Congratulations to Jenson in Panda class and Frankie in Foxes class who were both presented with the Diamond Learner award in our assembly today.

Jenson is a kind and caring pupil who tries really hard in all his learning and has made good progress this term. He listens carefully, is helpful and always wears a smile! Well done Jenson!

Frankie is a pupil who always works incredibly hard in class and participates enthusiastically in all her learning. Since joining TEPA, she has become more confident, is kind and caring being a great role model to her peers. Frankie is real asset to Foxes class.  
Very well deserved Frankie.

## Questions of the week

We are aware that sometimes it is tricky for children to talk to parents about their learning from the week or that sometimes you get the answer "nothing" when asking children what they've learned at school.

Therefore, we are going to provide a prompt question for each year group every week, that you can ask your child and get them talking about their amazing learning.

**Koala Class:** Who came to visit us today?

**Meerkat Class:** Can you show me how many sleeps there are until Christmas on one hand?

**Panda Class:** What do you want to achieve in 2025?

**Tiger Class:** How are the 5 and 10 times tables related and how are the 2, 4 and 8 times tables related?

**Fox Class:** Who helped Ahmet find his parents?

**Lion Class:** What type of stitch did we use to go around our snowmen?

## Above and Beyond

Meerkat Class: Emily

Panda Class: Raven
