Summer Term Issue 1

25th April 2025

It has been lovely to welcome you all back to school this week at the what begins the summer term. The children have been happily sharing their Easter holiday adventures with staff, not to mention the number of chocolate eggs they were lucky enough to receive! The summer term has started with Meerkat class visiting March library where there were given a tour and were shown the children / family section. The pupils were then able to look at books before completing an activity and listening to a story before they came back to school. The pupils thoroughly enjoyed their visit and many returned to school with a book to share at home. The summer term is also known as 'sports season' with both swimming and cricket now taking place on Friday mornings. Foxes class travel to the George Campbell for their swimming session with both Foxes and Lion class working with the cricket coach on developing their cricket skills. We have several sporting events taking place over the course of the term so watch this space!

Have a lovely weekend, whatever your plans.

Mrs N Webb
Deputy Headteacher

Mr Harfield

This week we welcome Mr Harfield to the TEPA staff team. Mr Harfield will be working within our existing leadership structure as Executive Deputy Headteacher and Sendco. His usual working days will be Tuesday and Wednesday. You may have spotted him on the playground already and if you haven't yet said hello, please feel free to do so. I know that you will all make him feel very welcome.

Mr Harfield is contactable through the school office in the usual way.

Questions of the week

We are aware that sometimes it is tricky for children to talk to parents about their learning from the week or that sometimes you get the answer "nothing" when asking children what they've learned at school.

Therefore, we are going to provide a prompt question for each year group every week, that you can ask your child and get them talking about their amazing learning.

Koala Class: What journey did the tiny seed go on?

Meerkat Class: What has changed in our classroom this term?

Panda Class: Can you remember the meaning of your name?

Tiger Class: What is beneath our feet?

Fox Class: Can you name the 8 planets in our solar system?

Lion Class: What do you multiply to work out the volume of a cuboid?

Upcoming dates Summer Term 2025
