Summer Term Issue 3

9th May 2025

Well done to the Year 3 and 4 pupils who participated in Bikeability this week. They showed great resilience and determination throughout the session, as well as being polite and respectful to the instructor. The confidence of the children improved during the session and many were excited at the thought of riding their bike as the summer term continues. Well done to them all!

This week has seen our Year 6 pupils making their final preparations for their SATs assessments which take place next week. These assessments are a culmination of their hard work over their primary education and I have no doubt that they will all complete the assessments to the very best of their ability. I encourage all our Year 6 pupils to have a fun weekend but a restful evening on Sunday so that they are ready to undertake the week ahead. Good luck to you all. We are already proud of you.

Enjoy the weekend, whatever your plans. I am hoping that the sun shines!

Mrs N Webb
Deputy Headteacher

Questions of the week

We are aware that sometimes it is tricky for children to talk to parents about their learning from the week or that sometimes you get the answer "nothing" when asking children what they've learned at school.

Therefore, we are going to provide a prompt question for each year group every week, that you can ask your child and get them talking about their amazing learning.

Koala Class: What did we plant this week?

Meerkat Class: Why is a tens frame called a tens frame?

Panda Class: Who is your trusted adult?

Tiger Class: What were the names of the Roman emperors who invaded Britain?

Fox Class: What is the difference between waxing and waning in the phases of the moon?

Lion Class: How many mm in a litre?

Our bell ringers

In order to commemorate the 80th anniversary of VE day, last night, seven of our pupils had the opportunity to ring the bell at St Peters Church in the village. The children (and I) thoroughly enjoyed the experience and I am sure will remember the part they played in the anniversary for many years to come.

Thank you to all seven bell ringers who represented the school so brilliantly. You were all naturals! You were a credit to yourselves and your family, with the Church community commenting on you all being 'superstars'. Thank you too for all the parents and relatives who came and supported the children whilst they were ringing the bell. It was lovely to see you all.

We would like to give our thanks to Canon Mark and the church wardens for their hospitality and we look forward to participating in other events in the future.

Our bell ringers were: Isla, Raven, Ivy, Heidi, Elliot, Esme, Izzy and me!

Thank you to you everyone who has already donated items from our wish list to enhance the lunchtime provision at school. We have already had a great response and are very grateful for your generous donations. Please do keep them coming as they will all benefit the play experiences of the children. Just a reminder that we are looking for any of the following items:

- Anything on wheels/castors - scooters, skateboards, pushchairs, bikes, suitcases (any type/size)
- Road signs and cones
- Kitchen pots, pans, baking trays, worktables, wooden spoons, chopping boards
- Small world (e.g. dinosaurs, cars, farm animals, dolls, lego/ wooden toys)
- Big chalks and bubble wands
- Dressing up clothes
- Fabric and tarpaulin (large sheets/brightly coloured fabric/curtains)
- Large cardboard boxes
- Plastic milk crates
- Wooden pallets
- Cable drums
- Nets and ropes
- Pegs (to help to set up dens)
- Guttering

We would also be grateful for donations of wet weather clothing that no longer fits your children:

- wellies
- waterproof trousers
- raincoats
