Summer Term Issue 11

11th July 2025

Wow! This week has flown and we have made it to Friday! It has been an action packed week with so much happening in the TEPA camp. Winding down for the summer holidays?? Not a chance. The week kicked off with our Rockstars performing in their 'Rock Steady' concert in the school hall. Thank you to everyone who came and supported the performers, it was great to see you all tapping your toes! Our Year 6 pupils have completed their final two transition days to their chosen secondary schools in which they continued to get a taste of what life is like in Key Stage 3. I think it would be fair to say that they are now ready to fly our nest and flourish. The second 'Stay and Play' session for our new reception intake was a success, as was the Teddy Bears picnic today! The week also saw our pupils participating in their jump up morning, meeting their teaching team for September. Classrooms were a hive of activity and there was a real buzz in the air. We still have so much to look forward to with just 8 more days until we break for the summer holidays. Have a great weekend. We are on the home straight! Mrs N Webb
Deputy Headteacher

Above and Beyond

Koala Class: Max

Meerkat Class: Isla

Panda Class: Dominic

Tiger Class: Eleanor

Fox Class: Alex

Lion Class: Ziva

Questions of the week

We are aware that sometimes it is tricky for children to talk to parents about their learning from the week or that sometimes you get the answer "nothing" when asking children what they've learned at school.

Therefore, we are going to provide a prompt question for each year group every week, that you can ask your child and get them talking about their amazing learning.

Koala Class: What did we make out of junk modelling?

Meerkat Class: What is your new class called?

Panda Class: What are you most looking forward to in year 2?

Tiger Class: What does fire represent for Jewish people during Hanukkah?

Fox Class: Semi-quaver and quaver were part of what rhythm?

Lion Class: Who was Charles II?

Upcoming dates

Summer Term 2025

Tuesday 15th July
Year 4, 5 and 6 production
2:30 & 6pm performances

Thursday 17th July
PTFA Summer disco

Summer Term Issue 11

11th July 2025

SATs results

This week saw schools nationally receive the SATs results for their Year six pupils. Our pupils and staff have worked exceptionally hard throughout the year, and their dedication, resilience, and determination have truly paid off. We are incredibly proud to share that the results this year reflect not only the children's academic achievements but also their positive attitudes and commitment to learning. Each and every child gave their best, and their efforts have been truly commendable.

These results are a testament to the strong partnership between home and school. Your support, encouragement, and belief in your child have played a significant role in helping them achieve their full potential.

We would also like to take this opportunity to thank our dedicated staff, who have worked tirelessly to prepare and support the children every step of the way. Their passion and professionalism are at the heart of this success.

While SATs are just one part of your child's educational journey, they reflect how far the children have come and how ready they are for the exciting challenges of secondary school.

Once again, a huge **well done** to all our pupils - we are so proud of them!

Summer Disco

The PTFA are hosting a Summer Disco on Thursday 17th July so it is time to dust of our dancing shoes for the final time this academic year!

We are looking forward to seeing the children having a boogie.
